TEMPORARY NON-PROFIT FOOD SERVICE VENDOR INFORMATION

- The fee for Temporary Non-Profit Food Service Application at an event lasting 1-3 days is **$50.00** made payable to the Worth County Health Department. This fee should be submitted with your application. Applications can be obtained from the Worth County Health Department.

- The completed Temporary Non-Profit Food Service Application must be turned in and the application fee paid to the Worth County Health Department no later than **30 days prior to the date of the event**. Applications received **after the 30-day deadline** will incur a late fee of **$25.00** for total application fee of **$75.00**. Applications received within 10 days of an event will not be processed and permits will not be issued to those vendors.

- Application and fee payment can be dropped off at the Worth County Health Department or mailed to:

    Worth County Health Department
    Attn: Environmental Health
    PO Box 785
    Sylvester, GA 31791
  *Note: Please call ahead to see if lobby is open for payment drop off.

- Inspections will be conducted the day of the event. The time frame for inspections will be announced to vendors prior to the event. If inspectors are available, inspections may be available the day before the event to vendors willing to set up early.

- Please have all equipment set up and all hot and cold holding units, warmers, etc. up to temperature prior to inspection. Food does not have to be prepared to be inspected.

- Vendors ARE NOT allowed to sell prior to being inspected and issued an "OK TO SERVE" card.

- Vendors MUST be approved through the event organizer and the permitting agency. Inspections will not be conducted for vendors who are not approved.
